Patents 1 - 10 on method of transmit

[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

RFID system in communication with vehicle on-board computer

US Pat. 6112152 - Filed Aug 20, 1999 - Micron Technology, Inc.

A method of logging data from vehicles, the method comprising: providing a system including a radio frequency transponder device, and a vehicle on-board

...

System and method for communicating with an RFID transponder with reduced ...

US Pat. 6639509 - Filed Sep 7, 1999 - Intermec IP Corp.

Another application for RFID systems is to collect information from a moving ... for transmitting and receiving RF signals to/from an RFID transponder. ...

RFID system in communication with vehicle on-board computer

US Pat. 5995898 - Filed Dec 6, 1996 - Micron Communication, Inc.

A method of logging data from rental vehicles, ... with the radio frequency transponder periodically storing information from the vehicle „ device, ...

System for storage and communication of information

US Pat. 5530702 - Filed May 31, 1994 - Ludwig Kipp

20 30 signals when responding, each transponder waits after energization for a ... a method by which a network controller can indicate to the transmitting ...

Electronic vehicle toll collection system and method

US Pat. 5805082 - Filed Oct 24, 1996 - AT/COMM Incorporated

In the 30 present invention, the information is debit account toll information, and communications between the vehicle transponder, also referred to as an ...

Vehicles, license plate frame assemblies, methods of forming license plate ...

US Pat. 6025784 - Filed Feb 12, 1998 - Micron Technology, Inc.

The present invention places the RFID externally of any vehicle windows, and thus avoids the problem of transmitting through a window heater. ...

Method and arrangement for mapping a road

US Pat. 6526352 - Filed Jul 19, 2001 - Intelligent Technologies International, Inc.

In some cases, the interrogator itself can provide the power to drive the RFID circuitry, in which case the tag would again operate in the transponder mode ...

Method for efficiently querying and identifying multiple items on a ...

US Pat. 6774766 - Filed Jul 21, 2000 - E-Tag Systems, Inc.

The RFID transponder can receive this signal and interpret the information sent by the interrogating device, and may also then respond by sending ...

Radio frequency identification parts verification system and method for ...

US Pat. 7042346 - Filed Aug 12, 2003

Using RFID technology, whereby small, inexpensive RFID tags are placed on, ... a

transponder (RFID tag) electronically programmed with unique information ...

Active integrated circuit transponder and sensor apparatus for sensing and ...

US Pat. 5483827 - Filed Jun 3, 1994 - Computer Methods Corporation

In addition to transmitting tire, pressure and revolution count information, the RFID 18 also transmits in each signal transmitted to the remote ...
